*Join us as we toast the spirit  
and splendor of our town*

This year's Art Show celebrates the beauty of Redding – the same eloquent landscape that Samuel Clemens fell in love with nearly 100 years ago.

On display all week, **Saturday, December 4th through Sunday, December 12th**, will be a vibrant collection of paintings, sculpture and new media.

Come and browse during normal Library hours. Or better still, come and buy! All the art is for sale and makes truly memorable, personal holiday gifts, while contributing support to the Library.

We look forward to seeing you at the Library and helping us celebrate the Art Show's 32nd anniversary!

For members of the Library association, there will be a **Champagne Preview Party on Friday, December 3rd at 7 pm** to kick off the week-long Art Show. If you would like to receive an invitation to the party and are not a current member of the Library, simply call The Mark Twain Library at 938-2545.
